# BRIO 305

Meet the essential webcam for better video meetings. Brio 305 is a 1080p webcam with auto light correction and a noise-reducing mic for natural video and audio, plus an integrated privacy shutter. Certified for leading meeting platforms and priced for mass deployment.

Give employees a simple-to-use webcam for better video collaboration. Brio 305 is a 1080p webcam certified for *Microsoft Teams*, *Zoom* and *Google Meet* for a reliable meeting experience. Full high definition video, auto light correction and a noise reducing mic ensure that everyone is seen and heard clearly. An easy-to-use privacy shutter covers the lens when not in use. Made by the market leader in webcams<sup>1</sup>, Brio 305 can be deployed with confidence. It works with your existing IT ecosystem and can be managed and updated remotely through Logitech Sync. Made with at least 48% recycled plastic to support a more equitable and climate positive world.

# FEATURED PRODUCT SPECIFICATIONS

- 1 **Natural video quality:** 1080p resolution and auto light correction create a natural meeting experience, while the fixed focus and 70° dFOV keep everyone in focus.
- 2 **Noise-reducing mic:** Noise reduction technology suppresses background sounds.
- 3 **Integrated privacy shutter:** Easy-to-use privacy shutter protects employees' privacy, while the indicator light lets users confidently know when the camera is active.
